

The Livery Microbrewery Community Pint Night Information

What is Community Pint Night?

Community Pint Night is a night where non-profit organizations can raise money for their cause.

How does it work?

Non-profit organizations may apply to host a Pint Night at the pub. If selected, your organization is welcome to fundraise from 5-8 pm on your assigned Pint Night date. Attendance, though not mandatory, is suggested. Your group will receive \$1 for every pint sold between 5-8 pm. **BONUS DONATION:** If more than 250 pints are sold at your Pint Night, The Livery will donate an additional \$50 to your organization. Therefore, the success of your Pint Night relies on you! We will work with you to advertise and get the word out before your Pint Night is held.

We also encourage that you organize other revenue-generating activities to host during your night. Silent Auction Items and Raffles are a great way for your group to raise money. You will have a dedicated space for your items if you choose to do this.

What does The Livery provide?

We provide a dedicated space for your group to use. Signs will be posted on the tables that are reserved for your group. We encourage you to share informational material relating to your group on the reserved tables.

Please do not directly solicit to patrons. All auction and raffle items must be controlled by your group. You are responsible for setting up and cleaning up.

Why do we do this?

The Livery seeks to give back to the community because of all the support we have been given. Pint Nights help with sales at our retail location while supporting the wellness of the community and the non-profits within. It's a win-win!

What are the guidelines for choosing an organization?

Organizations must have a non-profit designation through the state of Michigan or the IRS. Priority will be given to organizations whose missions support the wellness of Berrien County and surrounding areas.

How do I apply for my organization to host a pint night?

Send an email to kelly@liverybrew.com to apply.

Is food available?

Yes! Your organization and your supporters will be able to order off of The Livery Kitchen Menu. Items include appetizers, salads, sandwiches, and pizzas. For a full menu please see www.liverybrew.com
